

the CHURCH

BMI SUMMER SCHOOL ☞ 19–23 JAN 2015 ☞ GISBORNE VIC

Our third Summer School will focus around the theme of the church. We will explore theological, historical and practical aspects of the church. In the process we will be exploring how the church reveals God to us and thus what a church that pleases God might look like.

The Summer School will offer insights from God's Word on the church — its past, its present and its victorious future.

The BMI Summer School is a chance to devote four days to the exploration and study of God with other like-minded people. Registration is open to all who are interested.
